

Days of Remembrance

May 6 – 13, 2024

During World War II, Norwegians wore paperclips on the collars of their clothes to demonstrate their opposition to Nazism and anti-Semitism. Thousands of people around the world will wear paperclips on their collars during the annual **Days of Remembrance** to demonstrate support of equality and respect for everyone. Please wear a paperclip on your collar during this week to honor the victims of the Holocaust.
